

PANTHER POND TRAIL

The Panther Pond Trail extends another 3.2 miles after the lean-to at Panther Pond. Here, it meets up with the Beach Mill and Fish Trails on the Independence River. The trailhead for Fish Trail is accessed from the end of Stony Lake Road. The trailhead for Beach Mill Trail is accessed from Beach Mill Road.

Panther Pond Trail is a moderate 2 mile, lightly trafficked out and back trail located near Lowville featuring a lake and lean-to. The trail offers a number of activity options and is accessible year round. Dogs are also able to use this trail but must be kept on leash.

DIRECTIONS

From Lowville, turn onto Number 4 Rd. In 3.5 miles, turn left to stay on Number 4 Rd. and continue for 12.4 miles. Turn right onto Smith Road and continue for 3.9 miles to the trailhead.

Note: Smith Road is a seasonal road and can be difficult to navigate without 4WD during wet weather. Please plan accordingly.

Distance: 2 miles (out and back)
Elevation Gain: 72 feet

Please respect private property and follow trail markers like this.
