Message from our Chairwoman

Chamber Members,

What a beautiful Memorial Day weekend we just had! It provided a nice backdrop for reflection on the meaning of the holiday and those who we honor for their sacrifice. I applaud the local communities for all of the banners that have gone up honoring our veterans. I encourage the businesses with a banner out front to "adopt" that veteran and think about a way to honor him or her either now or maybe on Veterans Day.

With a little extra time off, my family was able to spend time with my parents, grandparents and sisters' families. Watching the cousins play together reminded me of my childhood; running around outside barefoot with a whole gaggle (yes, gaggle) of cousins. It's a beautiful way to spend your childhood.

Now, back in my office on Tuesday, I revisit a thought I've had a lot lately: how do we, as a business community, connect with our youth as they grow up and eventually graduate high school and start working or go to trade school or college, stay local or venture away? How do we make sure they know there is a place for them to continue to grow and thrive in Lewis County? Or to return to to raise their family? How do businesses find those young adults who want to stay in or return to Lewis County and how do those young adults find those businesses. Because there is opportunity here. There are jobs here. The momentum is 1000% going in the right direction for Lewis County to thrive.

I'd love to hear your thoughts!

ANNOUNCING THE LAUNCH OF THE TUG HILL COMMUNITY CONNECTEDNESS SURVEY

Are residents moving out of your community? Do boards and community groups have difficulty finding volunteers? Do you feel connected to other people in your community and Tug Hill?

Members of communities are most productive when they feel connected to others and when everyone feels invested in the welfare of the region and its residents. The findings from this survey can potentially benefit our community members by identifying any gaps that need to be addressed so that no one experiences isolation or alienation, but rather a strong sense of belonging. Please take 10 minutes to fill out a Tug Hill regionwide survey developed by the Tug Hill Commission, members of a regional task force, and the University at Albany, SUNY. The findings will be shared publicly and used to inform efforts to improve how residents, homeowners, and visitors feel about the community.

SCAN ME

If you prefer to fill out a paper survey, you can pick up copies and envelopes at any of these locations:

- town of Watertown municipal office, 22867 County Rte 67, Watertown
- town of Redfield municipal office, 4830 County Rte 17, Redfield
- town of Trenton municipal office, 8520 Old Poland Rd, Barneveld
- village of Lowville municipal office, 5535 Bostwick St, Lowville

Drop off paper surveys in designated drop boxes at these locations, mail in, or go to:
<https://tinyurl.com/tughillcommunity>

Each respondent, if they choose, will have the chance to win a \$50 gift card to one of two Tug Hill restaurants. A lucky winner from Jefferson or Lewis counties will receive a gift card to Tug Hill Vineyards while the winner from Oswego or Oneida counties will receive a gift card to the Tailwater Lodge Restaurant.
