# Message from our Executive Director

Dear Chamber Members,

I don't know about all of you but Fall has always been one of my favorite times of year. The colors are bold, vibrant and strong; they are also a reminder to us of all that the earth has given us throughout the season. It is a time of inner calm and celebration of what is to come. I'm ever thankful to live and raise my family in such a beautiful place.

As the months fly by in preparation for the winter so does our time here at the Chamber. We worked with many of you through the year to prepare for the future, taking into consideration all that you would like to see from us and are excited for those plans to come to fruition.

On November 4th we will be hosting our Annual Awards and Meeting Ceremony at 3 Willows in Lyons Falls and hope to see some of you there. It will be good to catch up and update everyone on our progress through 2021 and our vision of 2022.

I encourage everyone to get out and enjoy some hiking trails over the next month or so before the season flies by and we are once again in our winter wonderland. If you are unsure of where to go take a peek at our hiking page at [adirondackstughill.com](http://adirondackstughill.com) and find a trail that is your perfect fit!

Enjoy all that Lewis County has to offer and we will see you all soon,

**Kristen Ward Aucter | Executive Director**
